This appendix includes an explanatory statement required by the Stock Exchange to be presented to Shareholders concerning the Repurchase Mandate proposed to be granted to the Directors.

1. STOCK EXCHANGE RULES FOR REPURCHASES OF SHARES

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions.

The Listing Rules provide that all proposed repurchases of shares by a company with a primary listing on the Stock Exchange must be approved by shareholders in advance by an ordinary resolution in a general meeting, either by way of a general mandate or by a specific approval of a particular transaction and that the shares to be repurchased must be fully paid up.

2. FUNDING AND IMPACT OF REPURCHASES

Any repurchase will be made out of funds which are legally available for the purpose in accordance with the memorandum and Articles, the Listing Rules and the applicable laws of the Cayman Islands. As compared with the financial position of the Company as at 31 March 2026 (being the date to which the latest audited accounts of the Company have been made up), the Directors consider that there would not be a material adverse impact on the working capital and on the gearing position of the Company in the event the proposed repurchases were to be carried out in full during the proposed repurchase period. The Shares so repurchased would be treated as cancelled but the aggregate amount of authorised share capital would not be reduced.

The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing position which in the opinion of the Directors are from time to time appropriate for the Company.

3. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earning per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

4. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 304,120,000 Shares.

Subject to the passing of the relevant ordinary resolutions to approve the general mandates to issue and repurchase Shares and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of AGM, the Directors would be authorised to exercise the powers of the Company to repurchase a maximum of 30,412,000 Shares.

5. GENERAL

The Directors will exercise the power of the Company to repurchase Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, the laws of the Cayman Islands and the Articles. The Company confirms that the explanatory statement set out in this Appendix I contains the information required under Rule 10.06(1)(b) of the Listing Rules and that neither the explanatory statement nor the Repurchase Mandate has unusual features.

6. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a shareholder or a group of shareholders acting in concert (as that term is defined in the Takeovers Code), depending on the level of increase of the shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the following Shareholders had interests representing 5% or more of the issued share capital of the Company:

Name	Capacity/Nature of interest	Number of shares held/ interested	Approximate % of interest	
			As at the Latest Practicable Date	If Repurchase Mandate is exercise in full
Ms. Su Guifang	Beneficial owner	23,184,000	7.62	8.47

In the event the Directors exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Repurchase Mandate, the interests of each of the above Shareholders in the Company would be increased to approximately the percentages as set out opposite their respective names in the table above. On the basis of the aforesaid increase of shareholding held by the Shareholders set out above, the Shareholders, or group of Shareholders acting in concert above, will not be obliged to make a mandatory offer under Rule 26 of the Takeovers Code if the Repurchase Mandate were exercised in full. In any event, the Directors do not intend to exercise the power to repurchase Shares to an extent which would render the aforesaid Shareholders or any Shareholder or group of Shareholders obliged to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no intention to exercise the Repurchase Mandate to such an extent that results in a public shareholding of less than the minimum public float requirement of 25% of the total issued share capital of the Company.

7. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of the knowledge and belief of the Directors, having made all reasonable enquiries, any of their respective close associates has any present intention, in the event that the proposed Repurchase Mandate is granted, to sell Shares to the Company. No core connected person of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Company is authorised to make repurchases of Shares.

8. SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares has been made by the Company (whether on the Stock Exchange or otherwise) during the six months ended on the Latest Practicable Date.

9. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange in each of the previous 12 months and up to the Latest Practicable Date were as follows:

	Shares	
	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2025

August	0.285	0.238

April	0.380	0.340
May	0.380	0.305
